If fee payments are not received by:

- The agreed due date a late fee of \$50 will be applied
- An additional \$50 late fee will be applied per month until fees are up to date

School fees must be kept up to date to ensure continued enrolment. If the fees are overdue by one term, the student may be refused admission the following term.

All fees are required to be finalised by 12th October 2026, using one of the payment options. The school reserves the right to take legal action for the recovery of fees not paid. Any expenses, costs or disbursements incurred by the school in recovering any outstanding monies, including debt collection agency fees and solicitor's costs, may be charged to the account. Students may not be permitted to commence a new Term unless outstanding accounts have been paid or a special arrangement has been made with the schools. Please refer to the Debt Collection Policy.

Invoices are issued electronically, and it is the responsibility of the parent, guardian, or person responsible for payment to ensure that the email address details will be always current. It is essential that fees are paid promptly and in full.

FINANCIAL DIFFICULTIES

The school accepts that from time to time, families may find themselves in difficult circumstances. Parents/carers experiencing genuine financial hardship should contact the school at their earliest opportunity, to discuss alternative options for payment of tuition fees.

CUSTODY, COURT/CONSENT ORDERS AND SPLIT FAMILY ARRANGEMENTS

The signatories to the enrolment agreement are liable jointly and severally to pay for all fees and charges incurred in respect of that student, regardless of:

- (a) any pre-arranged or subsequent private agreement to share or apportion payment responsibility
- (b) any Court Order or statutory direction that may apply to any signatory
- (c) any separate or individual invoicing of any amount

This joint and several liability includes all costs that may be incurred by the school in the recovery of fees and charges including legal action, if necessary.

NOTICE OF WITHDRAWAL

Parents/carers are required to give one term notice in writing if they choose to withdraw their child from the school during the course of the school year. If a student is withdrawn without the required notice during the term, the school will seek to recover any outstanding fees, costs, or losses incurred as a result of the withdrawal. In addition, an administration fee will be applied. Exiting families must settle any outstanding fees in two (2) weeks from the time of written notice.

Dates for withdrawal for 2026 are:

- If not returning in Term 3 written notice is required on last day of Term 2 - Friday 26th June
- If not returning in Term 1 in the following year, e.g. Feb 2027 written notice is required at the end of last day of Term 3 – Friday 26th September.

Prior to the end of a term no pro-rata fee reduction for early withdrawal will be considered, other than in the event of illness or accident.

If notice is not given within this timeframe an administration fee may be applied to cover losses incurred by the school due to the short notice.

The administration fee will be \$500 per student.
